

FLOODING ALERT 水浸警報器

Easy-to-Install Indoor/Outdoor Alarm

Description

The patented Flooding Alert indoor/outdoor alarm offers significant improvements over other alarms currently available for lift pump chambers, sump pump basins, holding tanks, sewage, agricultural and other waste applications.

This easy-to-install alarm features an **innovative, sleek 2-color molded enclosure** which integrates the LED red translucent beacon; the upper half illuminates and horn sounds when an alarm condition occurs. Once the condition is cleared, the alarm automatically resets.

Features

- 2-color molded enclosure offers a distinct look; translucent upper half illuminates in alarm condition
- Removable cover provides greater access for easier field wiring while the internal circuitry remains protected
- Interlocking enclosure features unique sound chamber to amplify the horn while helping prevent moisture from entering
- External mounting tabs for easy installation
- Enclosure meets Type 3R water-tight standard
- Enclosure has indicator marks on bottom for easy placement of cord entry locations
- Automatic alarm reset
- Alarm test/horn silence switch
- Green power on LED indicator
- Includes auxiliary contacts for remote devices
- Alternative float models for high or low level alarm
- Includes 10 meter stainless steel float switch
